Welcome to our JaJa catalog 2025/2026.

Since 1989 we offer a wide collection with different items.
Based on our passion to unburden you, we continuously strive for improvement.

Contact us via the website, or by phone.
Every week, our drivers deliver in the Netherlands, Belgium, France and Germany. We also ship our packages worldwide.

Browse trough our collection. A varying assortment rolling papers, filtertips, packaging, a lot of headshop articles and own logo products.

We'd love to hear from you,

Team JaJa.

OTHERS

Besides our featured products, we customize many more items. On brand rolling tray, games, keychains and even clothes.

How to start

At JaJa, we specialize in creating own-brand products. From concept to product, we can guide you every step of the way. Whether you're looking for small or large productions or have a new idea, we've got the ability and knowledge to match your needs. Let's make your brand come to life.

Design

We can help provide your idea or brand to a personal design, our team can translate your look. With wanted sizes and formats we will create (mostly) a sample where you can see the product come to life.

Next level look

To create something really unforgettable we provide high product material finishes on rolling papers with gold to 3D or coating your brand on a product.

Let's meet!

Interested in creating on brand products? Let's get in touch, scan our QR code or text our own logo, or call/text our office on 076 nummer, and let's talk about creating your ideas.
